Bethanys Heart Uneathly World 3

Bethany's Hearth is the third installment of the Uneathly World Series. So far this one is my favorite story. Finn just steals your heart from the beginning (even though he stole mine in the first when we met him) and Bethany is a fighter fighting to help her group stay alive on a destructive Earth.

Zuri finds herself in the hands of a Zargonii warrior after she and her shipmates are extracted from a strange world. Hunted by the heinous Tonan and sought after by the deadly Gorgano, Zuri is mortified when she realizes humans, especially female humans, are considered a rare, exotic novelty. She has no intention of being put on display for massive warriors to gawk at. She plans her escape. Kobe grows fond of the little mouthy human female placed in his charge for the duration of the space flight home. Once they land, she will no longer be his problem. Everything changes in seconds when he finds her in the ship's bay, hanging by a thread in a teetering space shuttle, bound on either self-destruction or escape. Without thought to his safety, Kobe jumps from the shuttle when Zuri falls out and plunges to the planet beneath. Zuri has no idea what danger they are in as they embark on a perilous journey. Both know if they make it out of the jungle alive, they will be separated—unless Kobe can figure out a way to keep his new mate.

A conclusion to the best-selling series that includes Halo finds the love between angel Bethany and her mortal boyfriend, Xavier, put to an ultimate test when they marry against Heavenly law and are subjected to punishment by rogue angels who want to darken angelic power in the heavens.

Four young Black sisters come of age during the American Civil War in *So Many Beginnings*, a warm and powerful YA remix of the classic novel *Little Women*, by national bestselling author Bethany C. Morrow. North Carolina, 1863. As the American Civil War rages on, the Freedpeople's Colony of Roanoke Island is blossoming, a haven for the recently emancipated. Black people have begun building a community of their own, a refuge from the shadow of the "old life." It is where the March family has finally been able to safely put down roots with four young daughters: Meg, a teacher who longs to find love and start a family of her own. Jo, a writer whose words are too powerful to be contained. Beth, a talented seamstress searching for a higher purpose. Amy, a dancer eager to explore life outside her family's home. As the four March sisters come into their own as independent young women, they will face first love, health struggles, heartbreak, and new horizons. But they will face it all together. Praise for *So Many Beginnings: A Little Women Remix* "Morrow's ability to take the lingering stain of slavery on American history and use it as a catalyst for unbreakable love and resilience is flawless. That she has remixed a canonical text to do so only further illuminates the need to critically question who holds the pen in telling our nation's story." "Booklist, starred review "Bethany C. Morrow's prose is a sharpened blade in a practiced hand, cutting to the core of our nation's history. ... A devastatingly precise reimagining and a joyful celebration of sisterhood. A narrative about four young women who unreservedly deserve the world, and a balm for wounds to Black lives and liberty." "Tracy Deonn, New York Times-bestselling author of *Legendborn* "A tender and beautiful retelling that will make you fall in love with the foursome all over again." "Tiffany D. Jackson, New York Times-bestselling author of *White Smoke* and *Grown*

Bethany, an angel in love with the mortal boy Xavier, is tricked into a motorcycle ride that ends up in Hell, where a demon bargains for her life in exchange for something that may destroy her loved ones.

Bethany Farmer cares more about soccer than romance until transfer student Allein shows up, but after joining him in his battle to maintain control of the throne of Faerie, she must decide to give up the mortal world for him, or ask him to give up his immortality.

Three angels are sent down to bring good to the world: Gabriel, the warrior; Ivy, the healer; and Bethany, a teenage girl who is the least experienced of the trio. But she is the most human, and when she is romantically drawn to a mortal boy, the angels fear she will not be strong enough to save anyone—especially herself—from the Dark Forces. Is love a great enough power against evil?
