§ 1.1 WHAT IS AUTHORITY? Authority is anything the court can or must use in reaching its decision. As we will see, there are different kinds of authority: primary, secondary, mandatory, persuasive, and non-authority. Knowing how to find cases, statutes, and other legal materials is not enough to make you a competent researcher.

Chapter 1. Foundations ** When the kid came to my door 4 Saturdays ago to offer his services as a lawn boy I almost told him 'thanks anyway'. I already had a landscaping company taking care of my yard, but who was I to ignore that the boy had somehow ignored the rest of his generation to show some motivation?
