Offers advice on deciding what used car to buy; discusses inspections, test drives, and negotiation; and tells how to prepare a car for sale

"Many thanks for the copy of Our Wars Overseas And At Home'. I know it will be a great read." - General P. X. Kelley USMC (Ret.) "Nargele's book is pure platinum that vividly describes the impact of Communist aggression on him and his family as WW II ended, and his journey to and through the Marine Corps a journey that included combat service in Vietnam and sensitive challenging diplomatic assignments that followed." - Lieutenant General Stephen Olmstead USMC (Ret) "Lieutenant Colonel Nargele's book is an absorbing and engrossing story of a Marine's service to his country and Corps. Well done, Marine!" - Major General H.W. Rice USMC (Ret.) "Anyone who reads Our Wars Overseas And At Home' will shore the enthusiasm I have for your book. It is an insightful look at the adversaries we have faced when we joined the Marine Corps in the 1960's." - Major General Donald R. Gardner USMC (Ret), President U.S. Marine Corps University "The book 'Our Wars Overseas And At Home' is interesting and engrossing." Ambassador Lev E. Dobriansky, Professor Georgetown University

This 1955 Chevrolet Passenger Car Shop Manual is a high-quality, licensed PRINT reproduction of the service manual authored by General Motors Corporation and published by Detroit Iron. This OEM factory manual is 8.5 x 11 inches, paperback bound, shrink-wrapped and contains 514 pages of comprehensive mechanical instructions with detailed diagrams, photos and specifications for the mechanical components of your vehicle such as the engine, transmission, suspension, brakes, fuel, exhaust, steering, electrical and drive line. Service / repair manuals were originally written by the automotive manufacturer to be used by their dealership mechanics. The following 1955 Chevrolet models are covered: Bel Air, Corvette, Nomad, One-Fifty Series, Sedan Delivery, Two-Ten Series. This factory written Detroit Iron shop manual is perfect for the restorer or anyone working on one of these vehicles.

This 1957 Chevrolet Passenger Car Shop Manual is a high-quality, licensed PRINT reproduction of the service manual authored by General Motors Corporation and published by Detroit Iron. This OEM factory manual is 8.5 x 11 inches, paperback bound, shrink-wrapped and contains 744 pages of comprehensive mechanical instructions with detailed diagrams, photos and specifications for the mechanical components of your vehicle such as the engine, transmission, suspension, brakes, fuel, exhaust, steering, electrical and drive line. Service / repair manuals were originally written by the automotive manufacturer to be used by their dealership mechanics. The following 1957 Chevrolet models are covered: Bel Air, Corvette, Nomad, One-Fifty Series, Sedan Delivery, Two-Ten Series. This factory written Detroit Iron shop manual is perfect for the restorer or anyone working on one of these vehicles.

ABOUT THE BOOK Buying a car involves hard work, time, discipline, and learning as much as possible. Preparing yourself properly is the key to any negotiation, whether in business or while buying a car. The more facts you have, the more informed a customer you become. Information gives you the ability to carry on an intelligent conversation, ask pertinent questions, and determine the legitimacy of the answers you receive. Knowledge protects you, your money, and your buying decision. MEET THE AUTHOR The Hyperink Team works hard to bring you high-quality, engaging, fun content. If ever you have any questions about our products, or suggestions for how we can make

them better, please don't hesitate to contact us! Happy reading! EXCERPT FROM THE BOOK Be certain to have a qualified and trained professional run a vehicle history summary report for you. This is especially true when buying a car from an independent seller such as estate sales and any number of auctions, where you do not know the previous owner. Many online companies perform this service for a minimal fee, such as the online site found at [AutoCheck.com](http://AutoCheck.com). These reports include a title check, odometer check and highlight any negative areas you need to concern yourself with. If you feel comfortable enough to understand the information given, this may be your best route. If you feel insecure with your automotive knowledge in understanding reports, your best bet may be to work with a qualified professional. Unless you know and trust the person who you are purchasing the car from, like a personal friend or family member, you can save a ton of money on your used car by purchasing from a car dealership. Many dealerships perform a vehicle history summary as part of the sale and go over these facts in detail with you so you have a full understanding about your potential purchase. The first section of a Vehicle History Summary will give you a report summary of the car's history in general terms. Other sections include the title and problem check, odometer check, a use and event check plus a final summary. The final summary, according to [Auto Check.com](http://Auto Check.com), "lists events such as vehicle title registrations, title renewals, emissions test results and reported odometer readings. This section would also highlight any reported problems." Buy a copy to continue reading!

Two books for the price of one! Covering the early and classic time period of ambulances and funeral vehicles, two out-of-print yet in demand Iconografix books have now been combined into one book and restored for your enjoyment. *Classic American Ambulances 1900-1979 Photo Archive* is a photographic history of the evolution and sudden demise of the passenger car-based emergency ambulance while *Classic American Funeral Vehicles 1900-1980 Photo Archive* shows hearses, flower cars and funeral service cars. Anyone involved in the funeral or ambulance industry will enjoy seeing these classic luxury cars, as will any car enthusiast, restorer, modeler, and historian.
