With fuel costs and parking charges it's no wonder the consumer is looking for less expensive forms of travel. This book is aimed at the rider who wants to do his or her own basic scooter maintenance and servicing without the need for in-depth mechanical knowledge, or a technical manual. It covers areas such as oil, brakes, tyres, transmission, electrics, etc, allowing the owner to address the most regularly serviced items without forking out for additional costs. Illustrated with full colour photographs throughout, and featuring clear, easy-to-follow instructions, this book is a must-have for scooter users.

Tattooed bad boy James Bowen is about to marry the love of his life. Everything would be perfect if it wasn't for the tiny detail that his bride-to-be is freaking out big time. And trying to hide it from him. Tate Cooper is losing it. She loves James with all her heart and wants to be married to him; it's the getting married that's killing her. Still grieving the loss of her father

and brother, Tate just can't shake her fear and sadness. Add to that the stress of the wedding, and she's in full emotional meltdown. But James deserves a happy bride, not a high-maintenance, sorrow-filled, guilt-stricken one, and, by God, she's going to give him that, even if she has to paste on a smile and fake it till she makes it. James can see through her front, and he doesn't know whether to be amused or pissed. He understands she's running scared, her fear of loss making it hard for her to fully commit, but there is no way in hell he's going to allow this to continue; he's going to push her to confront her fears until she happily embraces their ever after.

From the author of the celebrated classic *Louder Than Hell* comes an oral history of the badass Heavy Metal lifestyle—the debauchery, demolition, and headbanging dedication—featuring metalhead musicians from Black Sabbath and Judas Priest to Twisted Sister and Quiet Riot to Disturbed, Megadeth, Throwdown and more. In his song “You Can’t Kill Rock and Roll” Ozzy Osbourne sings, “Rock and roll is my religion and my law.” This is the mantra of the metal legends who populate *Raising Hell*—artists from Black Sabbath, Judas Priest, Slipknot, Slayer, and Lamb of God to Twisted Sister, Quiet Riot, Disturbed, Megadeth, and many more! It’s also the guiding principle for underground voices like Misery Index, Gorgoroth, Municipal Waste, and Throwdown. Through the decades, the metal scene has been populated by colorful individuals who have thwarted convention and lived by their own rules. For many, vice has been virtue, and the opportunity to record albums and tour has been an invitation to push boundaries and blow the lid off a Pandora’s box of riotous experiences: thievery, vandalism, hedonism, the occult, stage mishaps, mosh pit

atrocities, and general insanity. To the figures in this book, metal is a means of banding together to stick a big middle finger to a society that had already decided they didn ' t belong. Whether they were oddballs who didn ' t fit in or angry kids from troubled backgrounds, metal gave them a sense of identity. Drawing from 150-plus first-hand interviews with vocalists, guitarists, bassists, keyboardists, and drummers, music journalist Jon Wiederhorn offers this collection of wild shenanigans from metal ' s heaviest and most iconic acts—the parties, the tours, the mosh pits, the rage, the joy, the sex, the drugs . . . the heavy metal life! Horns up!

IT technology engineering changes everyday life, especially in Computing and Communications. The goal of this book is to further explore the theoretical and practical issues of Future Computing and Communications. It also aims to foster new ideas and collaboration between researchers and practitioners.

I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

It ' s another dark year at Bathory High for Vladimir Tod . . . The evil vampire D'Ablo is hunting for the ritual that could steal Vlad's powers. His best friend doesn't want to be his drudge anymore and it ' s getting harder for Vlad to resist feeding on those around him. But

The definitive oral history of heavy metal, *Louder Than Hell* by renowned music journalists Jon Wiederhorn and Katherine Turman includes hundreds of interviews with the giants of the movement, conducted over the past 25 years. Unlike many forms of popular music, metalheads tend to embrace their favorite bands and follow them over decades. Metal is not only a pastime for the true aficionados; it ' s a lifestyle and obsession that permeates every aspect of their being. *Louder Than Hell* is an examination of that cultural phenomenon and the much-maligned genre of music that has stood the test of time. *Louder than Hell* features more than 250 interviews with some of the biggest bands in metal, including Black Sabbath, Metallica, Megadeth, Anthrax, Slayer, Iron Maiden, Judas Priest, Spinal Tap, Pantera, White Zombie, Slipknot, and Twisted Sister; insights from industry insiders, family members, friends, scenesters, groupies, and journalists; and 48 pages of full-color photographs.
