Ultimate Guide to Exploration in EVE Online - Odealo

Exploration in Eve Online. As a new player, one of the first things you can try out in Eve Online is exploration. Exploration is the act of searching for, scanning down, entering and completing cosmic signature sites. Getting started with exploration is easy enough. but to become a successful explorer you need to understand the differences between the cosmic signatures, how to scan them down and what skills will help you do that.

Eve Online Exploration Guide 2019 - Saarith.com

Exploration in EVE involves using scanning probes to locate Cosmic Signatures in space which may contain hackable containers with items inside, resources like gas clouds or ore, wormholes to distant star systems, or collections of NPCs which may drop rare items. As a profession, exploration can be profitable and engaging, and offers better rewards for players willing to travel in more dangerous space.

EVE Online Exploration Guide: Billions and Billions (of ISK) Spotlight. Strategy. by WiNGSPAN TT - Mar 28, 2015. 26 35034. From the minute I started playing EVE Online, I wanted to get away with something. It didn't have to be an elaborate plan for backstabbing, or a huge pyramid scheme. No, I just wanted to reach out into the dangerous sectors of New Eden and somehow eke out a handsome reward for making it back alive.
