Study & Master Accounting was developed with the help of practising teachers, and covers all the requirements of the National Curriculum Statement for accounting.

Study & Master Mathematical Literacy Grade 11 has been especially developed by an experienced author team according to the Curriculum and Assessment Policy Statement (CAPS). This new and easy-to-use course helps learners to master essential content and skills in Mathematical Literacy. The comprehensive Learner's Book includes: \* thorough coverage of the basic skills topics to lay a sound foundation for the development of knowledge, skills and concepts in Mathematical Literacy \* margin notes to assist learners with new concepts - especially Link boxes, that refer learners to the basic skills topics covered in Term 1, Unit 1-16 \* ample examples with a strong visual input to connect Mathematical Literacy to everyday life.

Study & Master Accounting Grade 10 has been especially developed by an experienced author team according to the Curriculum and Assessment Policy Statement (CAPS). The comprehensive Learner's Book includes: \* case studies which deal with issues related to the real world, and move learners beyond the confines of the classroom \* margin notes to assist learners with new concepts - especially GAAP flashes, that give learners guidance on General Accepted Accounting Practice \* examples with solutions after the introduction of each new concept. The Teacher's File includes: \* a daily teaching plan, divided into the four terms, that guides the teacher on what to teach per day and per week \* moderation templates to assist teachers with assessment \* solutions to all the activities in the Learner's Book. The CD-Rom with a PowerPoint presentation includes: \* interactive examples to explain new concepts \* links to all solutions to activities and assessments in the Learner's Book

Study & Master Physical Sciences Grade 11 has been especially developed by an experienced author team for the Curriculum and Assessment Policy Statement (CAPS). This new and easy-to-use course helps learners to master essential

content and skills in Physical Sciences. The comprehensive Learner's Book: □ explains key concepts and scientific terms in accessible language and provides learners with a glossary of scientific terminology to aid understanding. □ provides for frequent consolidation in the Summative assessments at the end of each module □ includes case studies that link science to real-life situations and present balanced views on sensitive issues □ includes 'Did you know?' features providing interesting additional information □ highlights examples, laws and formulae in boxes for easy reference.

Study & Master Agricultural Sciences Grade 11 has been especially developed by an experienced author team for the Curriculum and Assessment Policy Statement (CAPS). This new and easy-to-use course helps learners to master essential content and skills in Agricultural Sciences. The innovative Teacher's File includes: \* guidance on the teaching of each lesson for the year \* answers to all activities in the Learner's Book \* assessment guidelines \* exemplar practical tasks, tests, exam papers and worksheets with marking memoranda \* photocopiable templates and resources for the teacher.

In the Johannesburg township of Soweto, a young, black gangster in South Africa, who leads a group of violent criminals, slowly discovers the meaning of compassion, dignity, and his own humanity. Reprint. A South African film, releasing February 2006 by Miramax) (General Fiction)

"Common Core Achieve: Mastering Essential Test Readiness Skills is designed to help you learn or strengthen the skills you need when you take your high school equivalency test."--Page v.
