Provides the compassionate insights and timely tools required for parenting youg ones in the 21st century..

Over 900,000 copies sold! Who uses love and logic in their parenting? Parents, counselors, and teachers around the globe—even Bill and Melinda Gates have found the philosophy of Parenting with Love and Logic an important guide when raising their three children. Learn how to reel in your own emotions while teaching your children responsibility, establishing boundaries, and growing their character. Establish healthy control through easy-to-implement steps without anger, threats, nagging, or power struggles. Trusted by generations of parents, counselors, and teachers to lovingly raise responsible children, Parenting with Love and Logic includes solutions for dozens of specific topics like tantrums, managing screen time, and getting ready for school, all indexed for easy reference. Updated to help parents make important family decisions about the use of technology, including mobile phones and social media.

The Love and Logic approach is the foundation for this book. This approach has helped millions of people raise wonderful, responsible children. Now we're taking all that wisdom, which works so well with kids, and applying it to adult relationships. * Do you feel like there has to be a better way to interact, instead of arguing, with co-workers, significant others and any other adult in your life? * Do you ever struggle in your relationships with friends, family, co-workers, or significant others? * Do you feel like relating just shouldn't be this hard? This book gives you a powerful toolbox filled with tried and true techniques that have proven useful to millions of people. It is guaranteed to make a profound difference in the way you communicate with others in your life!

Provides advice for parents when responding to difficult questions or demands from their children, including examples of responses designed to neutralize manipulation and arguing.

Argues that children must learn to make their own decisions and accept the consequences, and shows parents ways to encourage responsibility while maintaining discipline

Presents techniques for teaching based on the "Love and Logic" philosophy of working with children.

This is a read-and-understand, lock-it-in-with practice book that will enrich your relationship with your loved one. For thirty years Foster and Hermie Cline have worked with other couples individually and in groups, in this country and abroad, helping them learn how to do the same thing: build lasting relationships. They've worked with couples by the fireside in their home, and on houseboats lashed together on America's lakes. They've worked with couples around the campfire, and in many retreat centers. The wisdom gained through all these years and experiences culminated in a book that is enjoyable and effective for couples wishing to make the most of their relationship. MARRIAGE - Love and Logic includes a bonus DVD packed with couple laugh-and-learn vignettes and links to a website questionnaire that will help you understand yourself, your loved one, and your relationship along nine different scales.

The Discipline with Love and Logic Resource Guide serves as a reference for the concepts needed for teaching and discipline. You'll find articles and informational summaries plus activities for reflection for group mentoring and discussion.

Argues that parents should allow their teenagers opportunities to be responsible and to suffer the consequences of their mistakes, and discusses self-esteem and decision making
