The new edition of Sociology helps students take Sociology with them on campus, in their careers, and in their communities. While still maintaining its well-balanced coverage of the 3 perspectives, this new revision has a strong focus on encouraging students to think about their world with a sociological imagination. Through its strong coverage of globalization, race and ethnicity, careers in sociology, and current topics like mass media and social policy, Sociology provides students with knowledge they can use at school, at work, in their neighborhoods, and in the global community.

Sociology: A Brief Introduction invites students to take sociology with them in their daily lives. This successful student-friendly program includes strong coverage of race, ethnicity, and globalization. The approachable material encourages students to develop their sociological imaginations and start to think like a sociologist. Paired with Connect, a personal and adaptive learning experience, students learn to apply sociology's three theoretical frameworks to the world around them.

Revised edition of the author's Sociology: a brief introduction, [2016]

Three basic premises guide this highly successful introductory text - first that theory and research must be both comprehensive and clear, second that the text must show how sociology is relevant both to the study of society and to students' lives and third that sociology can play a valuable role in teaching critical thinking skills. To that end, this solid, well respected text combines a balanced three-perspective approach with excellent student oriented examples, and

distinctive social policy sections in a concise presentation that offers an alternative to full length books.

In this 13th edition, Rick Schaefer provides a comprehensive, up-to-date introduction to sociology that appeals to students with a diversity of learning styles. The text focuses on sociology in the global community and encourages students to think about the world they're living in using a sociological imagination.

Make Sociology new with McGraw-Hill's Connect Sociology and the 2nd edition of Sociology in Modules. New to Connect is Investigate Sociology, a brand-new tool that develops students' sociological imaginations by placing them in provocative scenarios where they must analyze various sources and determine a solution. Connect also comes with LearnSmart, an adaptive questioning tool proven to increase content comprehension and student results, as well as fun interactivities like In their Shoes and Applying the Perspectives that teach sociology's three theoretical frameworks. Finally, make sure students come prepared to class by assigning our many e-book activities. With McGraw-Hill's digital tools, focus on what you do best—teaching. Unique to this program, Sociology in Modules 2e has the most flexible content on the market. Instead of losing students in chapters that are long, unspecific, or out of order, customize your text and assignments with our modular approach, which breaks chapters into more manageable, topic-focused sections. Sociology in Modules' flexible content coupled with powerful digital learning tools makes this an ideal choice for your introductory course.

The Eighth edition of David Newman's Sociology: Exploring the Architecture of Everyday Life once again invites students into the world of sociological thought. Sociology encourages students to think less about the next test and more about how the subject applies to their everyday lives. In addition to updated coverage and fresh examples, this edition features revamped Micro-Macro Connections that have been even further honed to help students understand the link between individual lives and the structure of society.

A sociology program written exclusively for high school students Sociology and You is written by successful authors with extensive experience in the field of sociology. Meet American Sociological Association standards for the teaching of sociology in high school with this comprehensive program.

Sociology: A Brief Introduction invites students to take sociology with them in their daily lives.
