When her family's dry-cleaning business receives a shipment of private school uniforms, a series of mistakes leads Diana to assume the identity of a snooty student and attend a different school for a day.

Diana sneaks into a private-school to help recover her friend's stolen cell phone.

Unexcited by her duties at the family dry-cleaning business, Diana learns that the tailors try on and occasionally borrow cool clothing, a practice she adopts that leads to her discovery of an invitation to a Broadway gala opening.

When Diana meets pop star Tasha Kane while on her way to drop off a vest for a customer of Cinderella Cleaners, Tasha offers her the chance at a role in her new video, but only if she wears the vest.

Diana is stuck working at the cleaners for her school's homecoming game, but soon a

mistake that only she can fix sends her to the homecoming parade on a secret mission in a borrowed cheerleader outfit.

When Diana's friend Amelia needs Diana to fill in for her during a ballet performance, Diana borrows one of the dance costumes at Cinderella Cleaners, but once she is onstage she realizes she cannot dance.

Diana finds the perfect gown and mask for the town's masquerade ball, and even gets to dance with her new crush, but the arrival of some unexpected guests threatens to unravel her perfect evening.

There's more than one way to be powerful . . . It is during a routine school project that Abby Silva--sixteen and nearly friendless--makes a startling discovery: She is descended from women who were

Gold accused of witchcraft back in 1600s Salem. And when Abby visits nearby Salem, strange, inexplicable events start to unfold. Objects move when she wills them to. Candles burst into sudden flame. And an ancient spellbook somehow winds up in her possession. Trying to harness her newfound power, Abby concocts a love potion to win over her longtime crush--and exact revenge upon his cruel, bullying girlfriend. But old magic is not to be trifled with. Soon, Abby is thrust headlong into a world of hexes, secrets, and danger. And then there's Rem Anders, the beautiful, mysterious Salem boy who seems to know more about Abby than he first lets on. A reckoning is coming, and Abby will have to make sense of her history--and her heart--before she can face the powerful truth.

approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning “death” and *städning* meaning “cleaning.” This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you’d ever use) and which you

might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.
