award-winning educator and parent Melissa Taylor gives busy parents of kids ages three to ten engaging, playful, out-of-the box ideas for growing a reader, assisting kids who are learning to read, and gently encouraging reluctant readers. Just a few of the many helpful insights and strategies she shares include: - The most common reasons why kids find it hard to learn to read or may hate to read (too boring, too tricky, too blurry, too "sitty")-and what to do about them. - Activities and product recommendations to facilitate letter recognition, rhyming, sight word skills, phonics, and fluency. - Approaches for improving word attack and reading comprehension. - Book lists organized by kids' interests. - Printable sight word flashcards and word strategy bookmarks. Packed with practical, bite-sized ideas that get children reading and loving books, Book Love can be your go-

to guide for reading help for kids.

Can Germany and Japan do more militarily to uphold the international order? Since the end of World War II, Germany and Japan have been the most reluctant of all major U.S. allies to take on military responsibilities. Given their histories, this reluctance certainly is understandable. But because of their size and economic importance, Germany and Japan are the most important U.S. allies in Europe and in East Asia, respectively, and their long-term reluctance to share the defense burden has become a perennial source of frustration for Washington. The potential security roles of Germany and Japan are becoming increasingly important given the uncertainty, indeed volatility, of today's international environment. Under President Trump, friction among allies over burden-sharing is more intense than

File Type PDF Reluctant In

ever before. Meanwhile, the security environments in Europe and Asia have deteriorated because of the resurgence of a belligerent Russia under Vladimir Putin, the steady rise of an increasingly assertive China, and North Korea's worrisome acquisition of nuclear weapons. Partly in response to these developments, Germany and Japan in recent years have boosted their security efforts, mainly by increasing defense spending and taking on a somewhat broader range of military missions. Even so, because of their cultures of anti-militarism resistance remains strong in both countries to rebuilding the military and assuming more responsibility for sustaining regional or even global peace. In *Reluctant Warriors*, a team of noted international experts critically examines how and why Germany and Japan have modified their military postures since 1990 so far, and assesses

File Type PDF Reluctant In

how far the countries still have to go—and why. The contributors also highlight the risks the United States takes if it makes too simplistic a demand for the two countries to “do more.”

The King had a good head on his shoulders—for the moment, anyway. Everyone agreed that King Jorian of Xylar had been a good and just ruler. In fact, many also agreed that, in this case, it was a pity that the laws of Xylar decreed that each randomly chosen King must reign for only five years and then, after due pomp and ceremony, have his head cut off! Understandably, Jorian himself was wholeheartedly in agreement with the second sentiment, so with the help of a spell provided by the wizard Karadur, he escaped from the beheading ceremony with his head still on his shoulders. Unfortunately, his beloved wife, Queen

File Type PDF Reluctant In

Estrildis, was left behind, and getting her out of Xylar would be anything but simple—particularly with the Royal Guard of Xylar hot on the trail of their fugitive monarch. With Karadur's magic, Jorian might be able to pull off the rescue. But first, he would have to locate a trove of ancient spells, deal with an enemy wizard, steal an item from a 500-year-old (but still beautiful) princess who turns into a giant serpent at inopportune moments, repair the giant tower clocks of Iraz to fulfill a prophecy, break a pirate siege, and finally fly back to Xylar in an enchanted bathtub and whisk away his beloved Estrildis before the Royal Guard notices that their King (not to mention his head) has returned. Then things began to get complicated... At the publisher's request, this title is sold without DRM (Digital Rights Management).

This popular French Catholic writer, from the Nineteenth Century, has assembled over 30 common objections to going to Confession. He has answered them all with kindness, wit and wisdom. A book to allay fears and to give courage in approaching Confession, that Sacrament which will unlock the Gates of Heaven for many. Includes How to go to Confession.

Become a supernatural immortal? Reluctantly. Are you interested in time travel, mysticism, alternate realities, archangels, demons, wizards, immortal gods and goddesses, telekinesis, ESP, psychic powers, magic, or use of the Akashic records? Are you hungry for a different fantasy? Something based on scientific theories, and ancient beliefs, yet humorous, sometimes romantic, and only for readers with open minds that are ready to question beliefs and paradigms? Then

File Type PDF Reluctant In

this metaphysical fantasy series is for you. Get the first four books of the Reluctant Gods series in this one book now. The comedic antics of the diverse and colorful characters will make you laugh while they become as familiar to you as your best friends in this blend of fantasy, humor, mystery, and romance. Science, beliefs, and real life references will make you wonder, could this happen? Join these beings that only need to think a thought to create reality; if they can bring themselves to believe, by not being so reluctant to become gods. Would you be reluctant? In Reluctant Gods, the first book of the series, past lives and past mistakes echo themselves for over five hundred years until an ancient agreement with four archangels manifests itself to remind a reincarnated couple of their destiny. Sevilen, a former engineer, needs to take on his role as a god to save Leyna, his love

File Type PDF Reluctant In

from his past life, since in this life, as in her past lives, she will be dead in months if he doesn't. In today's life, he doesn't even like her, and doesn't care to save her. Leyna, a powerful, cruel, and callus executive, runs from Sevilen and the thoughts of becoming a goddess, or falling in love with a man. The two enter a world of magic where they gain abilities to create and destroy universes, throw bolts of lightning, change into another body, or use their psychic abilities. In Reluctant Gods II - The Demon Seth, our immortal gods are forced to be confined to their mansion by a 1000 year old, insolent boy demon named Seth. Join them as they deal with their forced imprisonment, with the unlikely influence of the novel "Fifty Shades of Grey," while angels, witches, and other gods work with them to resolve the dilemma. Will the Demon Seth steal Sevilen's love, Leyna, of 500 years? Will

File Type PDF Reluctant In

they need to make a deal with Satan to resolve it? Immerse yourself in the incredible story as the scenes vividly play out in your mind. Listen to the music through provided links on Amazon. In *Reluctant Gods III - Reset*, the year is 2050, 38 years after the debacle created by the Demon Seth, the Earth is on a crash course in more than one reality. Parallel universes, alternate realities, time travel, jealousy, and experiencing more than one life simultaneously must be dealt with. Experience what these immortals do to try to save it all. *Reluctant Gods IV - Aysel - The Prequel* was written from reader requests to know how Aysel, Sevilen's great grandmother and mentor, became who she was in the first three books. What shaped her to become the highly evolved, very unique, sensual, powerful, and sometimes whacky god she is in all the other books in the series? Follow 22 year

File Type PDF Reluctant In

old Aysel from the 1920s, raised protected and sheltered by Varick, from when she is immersed in the world of immortal gods, to when she brings Sevilen into their family. Learn with her about the effect of changing others' life paths with magic, and how to avoid the deadly results by using the Akashic records. See why Aysel, can guiltlessly make passes at Sevilen throughout the series, as if she really were just another young woman, and not his one hundred and six year old great grandmother. Learn what family really means for immortal gods, archangels, devils, and demons. BEWARE! Not for those with closed minds, or narrow viewpoints of life.

From the author of the award-winning *Moth Smoke* comes a perspective on love, prejudice, and the war on terror that has never been seen in North American

File Type PDF Reluctant In

literature. At a café table in Lahore, a bearded Pakistani man converses with a suspicious, and possibly armed, American stranger. As dusk deepens to night, he begins the tale that has brought them to this fateful meeting. . . Changez is living an immigrant's dream of America. At the top of his class at Princeton, he is snapped up by Underwood Samson, an elite firm that specializes in the "valuation" of companies ripe for acquisition. He thrives on the energy of New York and the intensity of his work, and his infatuation with regal Erica promises entrée into Manhattan society at the same exalted level once occupied by his own family back in Lahore. For a time, it seems as though nothing will stand in the way of Changez's meteoric rise to personal and professional success. But in the wake of September 11, he finds his position in his adopted city suddenly overturned, and his

File Type PDF Reluctant In

budding relationship with Erica eclipsed by the reawakened ghosts of her past. And Changez's own identity is in seismic shift as well, unearthing allegiances more fundamental than money, power, and perhaps even love. Elegant and compelling, Mohsin Hamid's second novel is a devastating exploration of our divided and yet ultimately indivisible world. "Excuse me, sir, but may I be of assistance? Ah, I see I have alarmed you. Do not be frightened by my beard: I am a lover of America. I noticed that you were looking for something; more than looking, in fact you seemed to be on a mission, and since I am both a native of this city and a speaker of your language, I thought I might offer you my services as a bridge."

FROM AWARD-WINNING ROMANCE
AUTHOR ROSANNA LEO Book three in

File Type PDF Reluctant In

the Handymen series/b> He was looking for an escape. In her, he found his home. Contractor and Handymen host Nick Zorn needs a change. He's been feeling listless, and when his ex-girlfriend embarrasses him in a viral post by sharing private details of their sex life, he's downright ready to escape. When an opportunity to reinvent his career arises, Nick takes it, even though it might mean the end of Handymen. However, the team has one more project to tackle together first—a struggling cat sanctuary in dire need of renovation. When Nick arrives at the shelter and meets its owner, a lovely widow named Claire, his life is once more thrown into disarray. Neither of them is looking for a relationship, but the attraction is fierce. As he helps Claire fix her workplace, he realizes he wants to help her in other ways too. Their flirtation sizzles, flaring into a friends-with-benefits

File Type PDF Reluctant In

arrangement. But the more time they spend together, the more reluctant these & friends' become to fight their deepening connection, even though they know their inevitable break will devastate them...

Riley, a teen orphan boy living in Victorian London, has had the misfortune of being apprenticed to Albert Garrick, an illusionist who has fallen on difficult times and now uses his unique conjuring skills to gain access to victims' dwellings. On one such escapade, Garrick brings his reluctant apprentice along and urges him to commit his first killing. Riley is saved from having to commit the grisly act when the intended victim turns out to be a scientist from the future, part of the FBI's Witness Anonymous Relocation Program (WARP). Riley is unwittingly transported via wormhole to modern day London, followed closely by Garrick. In modern

File Type PDF Reluctant In

London, Riley is helped by Chevron Savano, a nineteen-year-old FBI agent sent to London as punishment after a disastrous undercover, anti-terrorist operation in Los Angeles. Together Riley and Chevie must evade Garrick, who has been fundamentally altered by his trip through the wormhole. Garrick is now not only evil, but he also possesses all of the scientist's knowledge. He is determined to track Riley down and use the timekey in Chevie's possession to make his way back to Victorian London where he can literally change the world.

I suppose any book about Vietnam should discuss the historical perspective of the country and the political forces at play. The history we were embroiled in began in 1945. Here is my warped perspective sixty-eight years later. As most history evolves from previous conflicts, Vietnam is no

File Type PDF Reluctant In

different. At the end of WWII, after Japan surrendered to the Allied forces, Ho Chi Minh and the Peoples Congress establish the National Committee of Vietnam to form a provisional government. Japan then transferred all power to Ho Chi Minhs Viet Minh government.

A Riveting Edwardian Series Set among Britain's High Society Lady Rowena Kinnaird may be the heiress to a Highland earldom, but she has never felt good enough--not for her father, not for the man she thought she'd marry, not for God. But after a shocking attack, she's willing to be forever an outcast if it means escaping Loch Morar. Brice Myerston, the Duke of Nottingham, has found himself in possession of a rare treasure his enemies are prepared to kill for. While Brice has never been one to shy away from manor-born ladies, the last thing he needs is the

File Type PDF Reluctant In

distraction of Lady Rowena, who finds herself in a desperate situation. But when Rowena's father tries to trap Brice into marrying his daughter, Brice makes a surprising decision. Rowena wanted to escape the Highlands, but she's reluctant to marry a notorious flirt. And when she learns that Brice is mixed up in questionable business with a stolen treasure, she fears she's about to end up directly in the path of everything she was trying to avoid.
