"Applies the biomimetic principle to bonded restorations using composite resins and ceramics, describing the broad spectrum of indications and detailing the treatment planning, diagnostic approach, step-by-step treatment, and maintenance for each"--

Includes standards covering the critical program areas for effective institutional management, including safety procedures, security, rules and discipline, staff development, physical plant, and health care services.

"The rise and fall of kings and nations!"--Cover.

The lord of snark, Lawrence Dorfman, is back! With this treasury of backhanded compliments, sarcastic insults, and catty comebacks, Dorfman gives us transformative wisdom that's sure to change your life—or at least induce a light chuckle. One question plagues us all: How do we survive all the Sturm und Drang of everyday life? The answer is but one word: snark. "She wears her clothes as if they were thrown on by a pitchfork." —Jonathan Swift "Why don't you get a haircut? You look like a chrysanthemum." —P. G. Wodehouse "He's a mental midget with the IQ of a fence post." —Tom Waits "They hardly make 'em like him anymore—but just to be on the safe side, he should be castrated anyway." —Hunter S. Thompson "He has a Teflon brain . . . nothing sticks" —Lily Tomlin "He has no more backbone than a chocolate éclair." —Theodore Roosevelt Snark will keep the wolves at bay (or at least out on the porch). Snark, much like a double scotch, will help you deal with relatives, shopping, and rudeness; it is an outlet for the unleashed vitriolic bile that's saved itself up over the months. Like a shield, it will protect you while you go about your life. Snark is your answer!

"Savvily combines literary themes and cross-stitch designs in [a] visually appealing collection of projects . . . delightful." —Publishers Weekly Inside Book Riot's Lit Stitch, you'll find a number of badass, bookish cross-stitch patterns to let you show off your love of all things literary. Some are for bookmarks, others are for wall decor, and still others can take on a whole host of finished outcomes. What they have in common is their literary bent—the patterns speak to all manner of literary-minded book lovers, who are happy to display their nerdier sides. And what better way than through your own cross-

stitch art to hang on your wall, prop on your desk, or even gift to friends and family? Most if not all are beginner-friendly and can be completed in a few hours—instant stitchification! So grab yourself some excellent embroidery floss, hoops, and needles, and pick out one or more of these great cross-stitch patterns for your next project.

The X-Men are back in the cinema. Wolverine, Professor X, Cyclops, Jean Grey and the rest of the team return in X2, facing a new threat so dangerous that former enemy Magneto must join their ranks to defeat it.

Classic pasta dishes from America's 1st and most beloved master chef Whether you're entertaining guests or simply cooking for 1, pasta is sure to delight. The ultimate comfort food, it can be found in the cuisines of nearly every culture. James Beard, heralded by the New York Times as "the dean of American cookery" enriches our understanding of this culinary staple with his collection of recipes and commentary on store-bought versus homemade pasta, wine pairings, choosing the perfect cheese, and other insights. From familiar spaghetti entrées to more adventurous fare, such as udon noodle soup and spätzle, Beard brings meals from all over the globe into the home chef's kitchen. Under the guidance of America's original gastronomic genius, the basic noodle is elevated in dishes such as basil lasagna, Portuguese fish stew with orzo, and cheddar angel hair soufflé. Beard on Pasta is full of easy-to-follow recipes, along with tips on preparation, sauce, and serving that you'll be eager to try. This comprehensive cookbook provides all the tools you need to make delectable and unforgettable pasta for any occasion.

An expert communicator, Jack McAfghan writes the memoirs of his four-legged life as a mixed-breed Afghan Hound. From obedience and agility training to hospice work, Jack and his master learn their lessons side by side, inevitably applying what they have learned as their own lives unfold. It is a love story that can be used as an informal study guide for those who are in the process of training a dog, learning to love, or grieving over the loss of a friend. Jack presents with a wise, open and informed mind. He speaks firsthand about the psychological aspects of canine behavior as he opens the reader's mind to the possibilities that exist in life and after death. He reminds us that the way we think can change the course of our lives. This story will touch everyone who has ever loved. It matters not if they have four legs or two. Jack leads us to a higher love as he expands our tolerance and compassion for all of humanity. He extends himself to every creature of the earth, every human on the planet, every spirit in the universe and most of all, to the bona fide Master over all.

After the deaths and arrests of his entire crew and an informant-fueled investigation into his past, the man known on the streets as Animal relocates to Texas and finds fame and stardom as the newest act signed to the notorious Big Dawg Entertainment. His girlfriend, Gucci, is thrilled when she gets the news that he's coming back to New York on a promotional tour, but when she discovers the hidden agenda behind his homecoming nothing can prepare her for the life-altering consequences that will come of it. There goes the neighborhood . . . again.
