coach Tony Dungy and co-author Nathan Whitaker! This deluxe LeatherLike edition of the New York Times best-selling *The One Year Uncommon Life Daily Challenge* contains 365 reflections from Tony and Nathan on living an “uncommon life” of integrity, honoring your family and friends, creating a life of real significance and impact, and walking with the Lord. This year, step up to the challenge to spend time with God—and dare to be uncommon every day. A perfect gift for sports fans, coaches, athletes, and dads!

This edition contains 365 reflections from the #1 New York Times-bestselling author on living an uncommon life of integrity, honoring family and friends, creating a life of real significance and impact, and walking with the Lord.

The New York Times bestseller is now in softcover with a bonus chapter on how the “Dare to Be Uncommon” movement is reaching schools, teams, and families across the country and an update on Tony’s life since retiring as head coach of the Indianapolis Colts. What does it take to live a life of significance? When Indianapolis Colts coach Tony Dungy took home the trophy in Super Bowl XLI, fans around the world looked to him as the epitome of success. Athletic victory, professional excellence, fame and celebrity, awards and honors—he had it all. But even in that moment, he knew those achievements had little to do with his ultimate significance as a man. Coach Dungy still passionately believes that there is a different path to significance—a path characterized by attitudes, ambitions, and allegiances that are all too rare but uncommonly rewarding. In the New York Times best seller *Uncommon*, Dungy reveals secrets to achieving significance that he has learned from his remarkable parents, his athletic and coaching career, his mentors, and his walk with God.

The Superbowl-winning coach shares his thoughts on how to live like a good, Christian man, combining integrity, character, and self-sacrifice.

In 1637, Anne Hutchinson, a forty-six-year-old midwife who was pregnant with her sixteenth child, stood before forty male judges of the Massachusetts General Court, charged with heresy and sedition. In a time when women could not vote, hold public office, or teach outside the home, the charismatic Hutchinson wielded remarkable political power. Her unconventional ideas had attracted a following of prominent citizens eager for social reform. Hutchinson defended herself brilliantly, but the judges, faced with a perceived threat to public order, banished her for behaving in a manner “not comely for [her] sex.” Written by one of Hutchinson's direct descendants, *American Jezebel* brings both balance and perspective to Hutchinson's story. It captures this American heroine's life in all its complexity, presenting her not as a religious fanatic, a cardboard feminist, or a raging crank—as some have portrayed her—but as a flesh-and-blood wife, mother, theologian, and political leader. The book narrates her dramatic expulsion from Massachusetts, after which her judges, still threatened by her challenges, promptly built Harvard College to enforce religious and social orthodoxies—making her the mid-wife to the nation's first college. In exile, she settled Rhode Island, becoming the only woman ever to co-found an American colony. The seeds of the American struggle for women's and human rights can be found in the story of this one woman's courageous life. *American Jezebel* illuminates the origins of our modern concepts of religious freedom, equal rights, and free speech, and showcases an extraordinary woman whose achievements are astonishing by the standards of any era.

This book of ten essays is a breath of fresh air, a source of inspiration, a wake-up call, and a bold challenge for pastors, congregational leaders, and church members--both active and lapsed--who long for a new perspective, even a touch of creative irreverence. With an invitation to quietness and stillness, inner

strength and resilience, audacious hope and insistent confidence, it welcomes those among the people of God who do not belong to a church or even name themselves as Christian. Yet it does not shy away from raising difficult questions. Howard Friend offers forthright, at times disarming, candor as he shares his personal pilgrimage of activism rooted in contemplation. Convinced that God still seeks to work in and through the church, Friend shows us where God is present--at times despite the church itself. In his opinion, the church needs to stir the pot, upset the applecart, and dare to welcome the new and refreshing. Yet Friend remains hopeful for and committed to the church, calling and equipping it to become its highest and best. Drawing on a range of stories from the Bible and his own lived experiences, Friend invites us to meet real people--pastors, leaders, everyday folks--who dare to dream a new dream, journey toward a far horizon, walk with tireless determination, and press on with awesome hope.

What does it take to build a marriage that will last? Tony and Lauren Dungy have together known the highest of highs and the lowest of lows. They fell in love, built a family, and made sports history when Tony became the first African American head coach to win the Super Bowl. Yet they've also gone through difficult, relationship-testing setbacks, including job loss and devastating personal tragedy. In a culture where it seems harder and harder to make marriage last, what has kept the Dungys strong through it all? In *Uncommon Marriage*, Tony and Lauren share the secrets that hold them together, revealing what they've learned so far about being a good husband or wife; getting through times of loss, grief, or change; staying connected despite busy schedules; supporting each other's dreams and goals; and helping each other grow spiritually. They offer encouragement and practical advice to equip your marriage to survive tough issues and flourish with joy, purpose, and partnership—in other words, to be a marriage that is truly uncommon.

This new One Year daily devotional shows what the world of sports can teach about spiritual principles. Each daily reading focuses on a Scripture verse and a devotional illustration.

An intimate biography of the avant-garde poet and spiritual seeker who abandoned his career to join the circus and live among fishermen in Greece. Robert Lax inspired Thomas Merton, Jack Kerouac, William Maxwell and many others with his quest to live a true life as both an artist and a spiritual seeker. Known in Europe as a avant-garde poet, Lax worked at *The New Yorker*, wrote Hollywood screenplays and edited a Paris literary journal—when he wasn't studying philosophy, serving the poor in Harlem or living in a sanctuary high in the French Alps. Lax called his approach to life pure act: a way of living in the moment that was both spontaneous and practiced, God-inspired and self-chosen. By devoting himself to simplicity, poverty and prayer, he expanded his capacity for peace, joy and love while producing distinctive poetry of such stark beauty critics called him “one of America's greatest experimental poets” and “one of the new ‘saints’ of the avant-garde.” Biographer Michael N. McGregor met Lax in Greece when he was a young seeker himself. He continued to visit him regularly over fifteen years. *Pure Act* is a tale of adventure, an exploration of friendship, an anthology of wisdom, and a testament to the liberating power of living an uncommon life. Excellence in Publishing Award, Association of Catholic Publishers Honorable Mention, Catholic Press Association Book Award Finalist, Washington State Book Award
