\"The Plague\" Summary and Analysis**The Plague Albert Camus**

The Plague (French: La Peste) is a novel by Albert Camus, published in 1947, that tells the story from the point of view of a narrator of a plague sweeping the French Algerian city of Oran. The narrator remains unknown until the start of the last chapter, chapter 5 of part 5.

The Plague - Wikipedia

Camus presents the plague as a threat to human existence, but gives humanity three choices. It is up to each of us to make the right choice in the face of this disease. The COVID-19 pandemic is a great time to make this choice, as difficult as that choice may be.

Amazon.com: The Plague (9780679720218): Albert Camus ...

The Plague is a novel by Albert Camus, published in 1947, that tells the story of a plague sweeping the French Algerian city of Oran. It asks a number of questions relating to the nature of destiny and the human condition.

The Plague by Albert Camus - Goodreads

Among his world-famous novels is “The Stranger” (1942), an insightful account of alienation in human experience during the 20th century. “The Plague” is thematically related in that it depicts struggle, disconnection, and the need for social concern. Camus sets his novel in Oran, a French port of about 200,000 people, on the Algerian coast.

Insights for us from “The Plague” by Albert Camus

Albert Camus (1913 - 1960) was a French author and philosopher who won the Nobel Prize for Literature in 1957. His novel The Plague has recently garnered much worldwide attention do to the pandemic of 2020. As a philosopher familiar with Camus’ thought, I’d like to highlight the book’s main philosophical themes.

Summary and Meaning of Camus’ “The Plague”

Albert Camus . THE PLAGUE . TRANSLATED FROM THE FRENCH BY Stuart Gilbert . First published in 1948 . It is as reasonable to represent one kind of imprisonment by another, as it is to represent anything that really exists by that which exists not. DANIEL DEFOE . PART I . The unusual events described in this chronicle occurred in 194- at Oran. Everyone agreed

Albert Camus THE PLAGUE

“The Plague” takes place in Oran, a city that Camus, as a son and partisan of its rival, Algiers, found tacky, shallow, commercial; treeless and soulless. As a younger man, he’d called it a city...

Reading Albert Camus' 'The Plague' in the time of ...

Remarkably, though Camus never properly experienced a plague or a pandemic himself—he was only five when the novel H1N1 influenza virus burned its way across the globe in 1918—he captures what it feels like precisely. Perhaps those who awarded him the Nobel Prize for Literature in 1957 noticed this, too.
