The Waiting Sky has a pretty cool and unique premise, a summer of tornado chasing as sort of a catharsis after narrator Jane McAllister's relationship with her alcoholic mother hits rock bottom. So there's both meteorology and a tough personal story, plus parallels between the two.

One of Zielin's strengths as a writer is that she really "gets" teens: their voices, angst, and insecurities. Another is that she's not afraid to throw her protagonists into no-win situations and watch them claw their way out.

The Waiting Sky by Lara Zielin is about twisters, storms, and chaos—heavy weather in the sky and of the heart.

One summer chasing tornadoes could finally change Jane's life for the better Seventeen-year-old Jane McAllister can't quite admit her mother's alcoholism is spiraling dangerously out of control until she drives drunk, nearly killing them and Jane's best friend. Jane has only one place to turn: her older brother Ethan, who left the problems at home years ago for college. A summer with him and his tornado-chasing buddies may just provide the time and space Jane needs to figure out her life and whether it still includes her mother. But she struggles with her anger at Ethan for leaving home and feels guilty—is she also abandoning her mom just when she needs Jane most? The carefree trip turned journey of self-discovery quickly becomes more than Jane bargained for, especially when the devilishly handsome Max steps into the picture.

Are you ready to write a better story for yourself? Author Your Life is the oh-heck-yeah transformation that can happen when you literally put pen to paper and write the life you want to have. In Author Your Life, you'll get practical, hands-on help for how to become the main character in your own real-life adventure. Lara Zielin will show you how to write a better story for yourself in four main areas: loving yourself, finding your purpose, body and health, and financial abundance. In the process, this book will guide you through your own Hero's Journey, step by step. As the author of six published novels, Lara knows how stories work. Author Your Life is what happened when Lara turned the tables and started creating a world for herself, exactly the same way that she would create a world for her characters. For one year, Lara wrote the unimaginatively titled "Lara's Life," where she literally created the story of how she wanted her life to be. Everything changed as a result. Her health, her finances, her relationships, her heart, and so much more. The power of words is completely amazing and totally legit! You don't have to travel a thousand miles or attend a 20-day meditation retreat or do a cleanse to write a better story for yourself. You can do this in your pajamas, starting right where you are. So get out your pens, your story is about to begin.

After his older brother is killed, David turns to anger and his parents to religion, but just as David's life is beginning to make sense again his parents press him and his sister to join them in cutting worldly ties to prepare for the Rush, when the faithful will be whisked off to heaven.

Sixteen-year-old Aggie Winchester couldn't care less about who's elected prom queen—even if it's her pregnant Goth-girl best friend, Sylvia Ness. Aggie's got bigger things to worry about, like whether or not her ex-boyfriend wants to get back together and whether her mom will survive cancer. But like it or not, Aggie soon finds herself in the middle of an unfolding prom scandal, largely because her mom, who is the school's principal, is rumored to have burned prom ballots so Sylvia won't be elected queen. Aggie's own investigation makes her wonder if the election could be dirty on both sides.

Emma's life is a mess. Her best friend isn't talking to her, and the boy she's known forever and dismissed has turned into a hottie. As if that weren't enough, her preacher parents have decided not to pay for college unless Emma goes to a Christian school, something she will never do. Enter the Crispy Dream—a new donut franchise where people camp out waiting to be the first ones served. The local paper is running a scholarship for the person who writes the best feature story about the donut camp. Joining the camp could be Emma's big chance at taking control of her future. But it's going to take a lot of faith in the human spirit—and a few donuts—to change her life.

A USA TODAY BESTSELLER! A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our own stories. The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson.

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future?
