My 1NZ-FE is 2005 M/T model, I started to modify it when I start using it in the end of 2007. Previously my father used it, with very minimum maintenance and low grade gasoline. So my mileage starts at 55000km. I started to change the gasoline to the best we have in Indonesia, unfortunately at that time we only have Shell, so I used the Shell ' s 95octane gasoline. Currently I ' m using ...

It was introduced into European market in late 2008
with the Yaris XP9F. Improved engine performance
combined with low emissions and fuel consumption was
the principal aim during its development. Advanced
engineering has been applied throughout the 1NR-FE
engine. Toyota engineers streamlined the engine's
intake channel, used computer simulation to optimise
airflow, smoothed all surfaces for ...
