I also pray this study will help you make sense of the world today and discover a little more about your personal calling as you serve God in your generation." —Todd Hampson This workbook is designed for use with The Non-Prophet's Guide to the End Times

Children have tough questions about the Christian faith. Many times, it seems parents struggle to answer these questions confidently. What do we do when they ask, "Why does God allow suffering?" "Can we trust the Bible?" "What is a Christian worldview?" In The 21 Toughest Questions Your Kids Will Ask About Christianity small group curriculum, author and speaker Alex McFarland offers insight and clarity to parents who are unsure how to handle these daunting questions. In six 30-minute video sessions, Alex helps us better understand our own faith and how to communicate it to our children. This Participant's Workbook includes discussion-oriented questions based on the video sessions with spaces and wide margins for note taking as well as key passages from Alex's book The 21 Toughest Questions Your Kids Will Ask About Christianity (Tyndale House, 2013).

Addressing issues such as gender identity, abortion, technology, and poverty, Dr. Myers challenges readers to ask: How can an authentic Christian worldview provide a compassionate, effective witness in culture today? Dr. Myers first shows readers what they can learn from Christian history—and why today's issues might not be as new as they seem. Then he takes them through the significant topics that affect them every day, offering biblical ideas for conversing with others in an increasingly hostile culture. This capstone book to a groundbreaking worldview trilogy equips readers to apply a bold Christian witness to their relationships with loved ones, neighbors, and colleagues.

This seven-week participant's guide helps readers dig deeper and strengthen their faith as they learn how ideas from the five fatal worldviews can infect their faith. Readers will understand more about Secularism, Marxism, Islam, New Spirituality, and Postmodernism, and how their faith can be affected by the ideas these worldviews spread. Designed to be used alongside the book and DVD, this interactive guide gives readers tools to establish a strong, biblical worldview.

Does the Bible have authority in a world committed to relative truth? The understanding of absolute, objective truth has been largely lost. Spend just a few minutes discussing politics or religion and you'll hear responses like, "There is no truth!" or "That may be true for you, but not for me." Understanding the Faith dares to wade into the middle of the controversy with chapters such as: Is God Christian? Isn't Claiming Truth Intolerant? Is the Bible Anti-Science? Summit Ministries' half century of teaching, this first volume of the Understanding the Times Series is your definitive resource for deepening and defending your faith. It's a required resource for every Christian's bookshelf.
