Seeing is Understanding. The first VISUAL guide to marine diesel systems on recreational boats. Step-by-step instructions in clear, simple drawings explain how to maintain, winterize and recommission all parts of the system - fuel deck fill - engine - batteries - transmission - stern gland - propeller. Book one of a new series. Canadian author is a sailor and marine mechanic cruising aboard his 36-foot steel-hulled Chevrier sloop. Illustrations: 300+ drawings Pages: 222 pages Published: 2017 Format: softcover Category: Inboards, Gas & Diesel

David Burri, ein erfolgreicher Jurist, will seine Träume verwirklichen. Zusammen mit seiner Frau Astrid plant er eine Weltumsegelung. Weg vom bisherigen Leben. Losgelöst von Terminen, Sitzungen und ständigem Zeitdruck. Aber alles kommt anders als geplant. David muss sich damit abfinden, dass er alleine lossegeln muss. Erst drei Jahre später findet er mit Jenna Lindberg, der Schwester seiner Ex-Frau,

eine neue Partnerin. Wer ist die Frau an seiner Seite wirklich? Die Ereignisse überschlagen sich. Rache, Hass und tiefe Verachtung stehen einer grossen Liebe gegenüber. David sieht sich nach einem Attentat mit einer Anklage wegen vierfachen Mordes konfrontiert. Muss er den Rest seiner Tage im Zuchthaus verbringen? Nichts ist, wie es scheint, nichts bleibt, wie es ist und nichts kommt, wie man denkt.

The first in a series of highly practical, hands on, step-by-step photographic manuals, *Replacing Your Boat's Engine* fills a gap in the market for the DIY boat builder and repairer. It is a subject covered only in piecemeal fashion by the yachting press, which, like general boat repair manuals, can't go into the level of detail Mike Westin does. This is a visual, hand-holding guide, dwelling on the practical details of replacing a boat's engine and related systems as it explains each procedure rather than focussing on the theory (which is relegated to an appendix, for those who wish to go further). Anyone who wishes to upgrade their boat's engine or replace an ailing or broken engine will find this step-by-step illustrated book a hand-holding godsend.
