Millions of women each year find themselves in relationships with controlling or abusive partners and don't know what to do, or even what's wrong. A woman may feel anxious, inadequate, intimidated -- and as if she is walking on tiptoe. And she may find herself trying harder and harder to make things right without ever being successful. Ann Jones and Susan Schechter bring together their more than fifteen years of experience working with women in abusive relationships to offer an eyeopening new analysis of controlling partners and a wealth of empowering information for women who want to change their lives for the better. Full of moving first-person stories, When Love Goes Wrong shows women what their options are in or out of the relationship, provides concrete guidance on finding safety and support for themselves and their children, and includes a comprehensive list of agencies offering information or assistance.

When a couple has everything, what could possibly go wrong. With fame, money, cars and a beautiful house, you would think that their life was perfect, but its not. In this story of selfishness, betrayal, greed and even extortion, you will see how Robert and Janelle's love takes a wrong turn. Robert is forced to look at the man in the mirror, and realizes that one bad decision can change lives because what's done in the dark will always come to light

From the author of To Die For comes this poignant, stirring, and occasionally hilarious story of a woman's attempt to remake her life after a searing divorce. Maynard's novel captures love as one approaches middle age in contemporary America.

The perfect anti-valentine: a whirlwind tour through love's most crushing moments What's the best way to mend a broken heart? Forget ice cream, wine, and sappy movies. Journalist Meghan Laslocky advises: Read through the pain. From forbidden love in 12th century Paris to the art of crafting the perfect "I'm over you" mix, The Little Book of Heartbreak is a quirky exploration of all things lovelorn, including: • How serial cheater Ernest Hemingway stole his wife's job just as their marriage was collapsing • Kinky spells cast by lovesick men in ancient Greece • Painter Oscar Kokoschka's attempt to get over an ex by creating (and having liaisons with!) her life-size replica • Brooding crooner Morrissey's personal creed about how romantic love is useless • The surprising science behind heartbreak and love addiction • The connection between World War II and what you talk about with your therapist • Insights into the tricky chemistry of monogamy and infidelity, courtesy of tiny rodents • And other lessons learned from ill-fated romances, lovers' quarrels, and hell-hath-no-fury spats throughout the ages Featuring anecdotes from history, literature, culture, art and music, The Little Book of Heartbreak shares the entertaining, empowering and occasionally absurd things that happen when love is on its last legs.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Explains how a lack of positive role models, along with messages from society as a whole, lead many people to enter relationships based on illusions and offers helpful advice

You never forget your wedding day. Or the moment your twin sister pukes on your bouquet and confesses she's pregnant . . . with your fiancé's baby. I wanted to get away, to hide until my heart mended. I found myself in a strange town with a mysterious stranger whose talented mouth and hands almost made me forget it was supposed to be my wedding night. Afraid to go home to face my broken life, I pretend to be my twin so I can take her job in Jackson Harbor caring for a six-year-old girl. Imagine my surprise when I find out my new boss is my mysterious stranger—Dr. Ethan Jackson. I never meant for Ethan to discover my secrets. I never meant for them to matter. But the longer I work with him and his sweet daughter, the harder I fall, and the clearer it becomes that I'm not the only one carrying a secret that could tear us apart. Get ready to fall for the boys of Jackson Harbor in Lexi Ryan's sexy new contemporary romance series. These books can all be read as standalones, but you'll enjoy reading them as a series! The Wrong Kind of Love (Ethan's story) Straight Up Love (Jake's story – coming May 2018) Dirty, Reckless Love (Levi's story – coming August 2018)

Love is not always about being together and being loved back. Sometimes you have to give up your happiness for your true love. Love is all about doing the unthinkable. Aryan, despite being a manager, is struggling to manage his own life. He hid from the world and stayed away from any relation after heartbreak with his first love. He comes back to his normal life after two years. He falls in love again with Sarah, a girl in his office. Sarah, an independent modern girl, is puzzled about the friendship and relationship. She doesn't know what she feels for Aryan. Let's see what is written in Aryan's destiny...

The path to true love rarely runs smoothly. Sally is caught in a love triangle with her fiance Tim and his vine, Vera. In the year 2072, Linda and her lover Nick face expulsion from the world as they know it if their illicit romance is discovered. Rosaline, the woman Romeo initially wanted before he met Juliet, gives a different view of Romeo and shows how he obtained the poison he drinks at the end of the play. And a woman's search for her family history in Iceland closes the circle on her own Icelandic family saga. Written in Darcy Delany's signature warm and sassy style, Love Gone Wrong is an entertaining salute to love and all the romantic debacles endured in its name."

A groundbreaking book about why the one thing we all fear—ambivalence—is the one thing we must accept to find lasting love. If Love Could Think is an entertaining and practical book that addresses with warmth and intelligence the age-old question relevant to any stage of a relationship: why does love go wrong, and what can we do to make it right? After many years of treating patients with relationship problems, psychologist Alon Gratch has identified seven common patterns of failed love. These patterns include, for example, narcissistic love, when a person has so idealized the partner and the relationship that they can't possibly continue to measure up; one-way love, when a person loves someone who doesn't return that love; triangular love, when a third party, be it a mother, an affair, or a job is involved in the relationship; and forbidden love, the kind of relationship that is generally off-limits, such as when a teacher dates a student. In If Love Could Think, Gratch shows us that all of these patterns stem from one fundamental problem—our own ambivalence. With his trademark combination of depth and humor, and using many individual stories as engaging examples, Gratch walks us through the ways we get stuck in these patterns. In each case we are looking for perfect or ideal love. Every pattern creates an obstacle so we don't have to face our own ambivalence about the relationship or the other person. But humans aren't perfect, so no matter how wonderful love can be, there is no such thing as pure love. Ambivalence implies the existence not only of love but also of anger, disapproval, or disappointment. As Dr. Gratch shows, there are really only two choices: accept ambivalence as part of any loving relationship, or continue to repeat the patterns of illusory love. Happily, using a simple yet powerful three-step approach, If Love Could Think helps readers to use their own minds to break these patterns of failed relationships and find real and lasting love.
